Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicants' representative indicated that the previous OA as found in paragraph 2 on page 4 thereof was incomprehensible, due to various errors, i.e., typographical: is the --- us --- in line four the word is?; there is no ending section as found in lines 4-6 of this paragraph, nor how figures 2 and 3 pertain to what has been identified; and that lines 13-14 are not complete. In short, these errors render the OA incomprehensible. The examiner regreted and apologized for such deficiencies and will vacate the previous OA and mail a new action with appropriate reasons..
